

South Fork Clearwater River Watershed Implementation (Idaho CD)

Program	Timber/Pasture Improvements
Lead Implementer	Idaho County Conservation District
Funders	Idaho Department of Environmental Quality, Idaho Soil and Water Conservation Commission, Private Party
Project Primary Contact	Stefanie Hays (stefanie.hays@id.nacdn.net)
Project Stage	Completed
Duration	2008 - 2012

Agricultural Projects & Practices > Timber/Pasture Improvements

The goal of the South Fork Clearwater TMDL Watershed Plan is to recognize the resource concerns within the watershed and restore these resources to the point where the beneficial uses are supported and meet the State Standards. With this in mind, the South Fork Clearwater Watershed Enhancement Project will implement a comprehensive program of Best Management Practices to reduce in-stream temperatures, pathogens and sediment entering into the stream system and minimize the effects of nutrient loading from an estimated 4700 critical acres.

Key Accomplishments

- Access Road (linear feet): **4,585.00 lf**
- Diversion (linear feet): **2,071.00 lf**
- Diversion (number): **1**
- Fence (linear feet): **15,026.00 lf**
- Heavy Use Area Protection (number): **587**
- Nutrient Management (number): **40**
- Pasture & Hayland Planting (acres): **86.60 acres**
- Pipeline (linear feet): **4,291.00 lf**
- Pumping Plant For Water Control (number): **3**
- Residue Management, Direct Seed (acres): **505.40 acres**
- Residue Management, Mulch Till (acres): **1,618.40 acres**
- Residue Management; No Till & Strip Till (acres): **306.00 acres**
- Roof Runoff Structure (number): **6**
- Structure For Water Control (number): **1**
- Waste Management System (number): **1**
- Water Well (number): **4**
- Watering Facility (number): **11**

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
